Lifeline to Leaders

The Question: *"_____! When are you just going to trust Me?"*
Add your name here

Being Spirit-led, rather than ego-driven, requires surrendering to the VOICE of the One Who said, "Let there be You!" His voice will never lead you astray, He won't waste time, and His Spirit "*will guide you into all the truth*" (John 16:13).

You'll soon discover that your Creator is a far better steward of your life than you are.

The Instruction: *"Start walking!"*

The instruction to me was, *"Start walking."* Your instruction may be to *"Start working," Start writing," "Start calling," "Start creating,"* or just, *"Turn on your computer."*

Whatever it is you know you ***need*** to do, START IT!

You'll know you're on the right track when you feel a flow of inspiration and spiritual energy to accomplish more than you ever thought possible.

The Ultimatum: *"You're dying anyway, just do what I said!"*

If doubt creeps in, procrastination, avoidance, or whatever it is that stops you in your tracks, remember the ultimatum: ***"You're dying anyway, just do what I said."***

Aren't we ALL dying anyway? Why don't we just do what He says?
